

Table of Cellular Components

Name of Component	Plant	Animal	Function
Cell Membrane			
Flagella			
Rough Endoplasmic Reticulum			
Smooth Endoplasmic Reticulum			
Nucleolus			
Nuclear envelope			
Nuclear Pores			

Table of Cellular Components

Nucleus			
Ribosomes			
Golgi Apparatus			

Name of Component	Plant	Animal	Function
Central Vacuole			
Mitochondria			
Lysosome			

Table of Cellular Components

Cell wall			
Small Vacuoles			
Peroxisome			
Chromosomes			
Chloroplast			
Microtubules			
Microfilaments			

Table of Cellular Components

Intermediate filaments			
Cilia			
Flagella			
Extracellular Matrix
