

Station 1

1. What is this small lump?
 2. What bone is this?
-

Station 2

3. What is this oval dent?
 4. What is this narrow ridge?
-

Station 3

5. What is this pointed outgrowth?
-

Station 4

6. What bone is this?
 7. What bone is this?
 8. What bones are these?
-

Station 5

9. What bone is this?
 10. What is this enlarged lump?
 11. What is this flat joint surface?
-

Station 6

12. What is this end?
-

Station 7

13. What is this lump on the side?
 14. What is this outgrowth on this edge?
-

Station 8

15. What is this flat topped outgrowth?
 16. What is this lump on the anterior surface?
 17. What bone is this?
-

Station 9

18. What is this rounded knob?
 19. What is this narrow region?
 20. What bone is this?
-

Station 10

21. What bone is this?
-

Station 11

22. What bone is this?
 23. What bone is this?
-

Station 12

24. What is this on the side?
 25. What bone is this?
 26. What is this saddle shaped groove?
-

Station 13

27. What is this on the side?
 28. What is this c shaped valley?
-

Station 14

29. What is this narrow area?
 30. What bone is this?
-

Station 15

31. What is this flat outgrowth?
 32. What bone is this?
-

Station 16

33. What bone is this?
 34. What bone is this?
-

Station 17

35. What is this pointed outgrowth?
-

Station 18

36. What is this hole?
 37. What is this ridge?
 38. What bone is this?
-

Station 19

39. What is this lump?
 40. What is this rounded joint surface?
 41. What is this on the side?
-

Station 20

42. What is this pointy structure?
-

Station 21

43. What bone is this?
 44. What bone is this?
-

Station 22

45. What is this outgrowth?
